**Letter dated 17 February 2025 from the Permanent Representative  
of Paraguay to the United Nations addressed to the President of the  
Economic and Social Council**

I have the honour to convey the interest of the Republic of Paraguay in becoming a member of the Ad Hoc Advisory Group on Haiti.

In this regard, the Government of Paraguay recognizes the essential role that the Economic and Social Council plays in supporting Haiti's long-term development and stability and is willing to engage and contribute constructively to the Group's efforts in assisting Haiti in overcoming its socioeconomic challenges.

Paraguay has a strong tradition of solidarity and regional cooperation, and we firmly believe that our participation in the Advisory Group will allow us to share relevant experiences, promote constructive dialogue and work towards practical solutions. Our engagement in this initiative reflects Paraguay's commitment to supporting Haiti in its path towards stability, resilience and economic recovery.

We look forward to the opportunity to collaborate with other Member States and stakeholders within the framework of the Ad Hoc Advisory Group.

I would be grateful if you would have the present letter circulated as a document of the Economic and Social Council.
